Alexandria Gazette State of Illinois, Edgar County. In the Edgar County Circuit Court. To the March term, A.D. 1877.

SATURDAY EVENING, FEBR'Y. 10.

LEESBURG .- Mr. F. M. Henderson in a letter to the Richmond Whig, says:-

Leesburg, Loudoun county, awed the W and O. R. R. \$10 000 in bonds, which, with accumulated interest, amounted to \$12,400 The Council assumed the debt by borrowing ou their own notes about \$9,100 at 8 per cent. from the Loudoun National Bank, and holds the bonds as collateral security. The Council on a local taxation of 50 cents in \$100 (5 milltax for your Northern readers) has paid \$700 of interest and \$2,000 of principal. What is the rate of the Fincastle tax? Our limit is 75 cents in \$100, which was imposed for one year

Our total taxation for Leesburg district (including municipal tax of 50 cents) is \$1.35 on \$100, showing that our State and county, road and school taxes are 85 cents on \$100, and they have ranged within a cent or two of that rate of Shinn & Co. In chancery and upon an insince 1870.

In one district-Mt. Gilead-where they are making new roads to reach the stations on the W. & O. R. R., and using more for school houses than other districts, the tax has been as high as 97 cents, but the finishing of these roads and school houses is tending gradually to diminish these taxes.
